Re: Virtual Learning Update
Date: 12-9-2020

We are going to continue with virtual learning at both Tri Elementary and Tri Junior Senior High Schools next Monday, December 14 through Friday, December 18. This is because Henry County is still in the orange range but our overall score went up from 2.0 last week to 2.5 this week. Henry County Hospital admissions for COVID-19, as well as other conditions, remain high and the neighboring hospitals of Reid and Ball Memorial share this status as well. We thought it best to keep our students home next week to lessen the likelihood of spread before the holidays. I would also like to remind everyone that it is very important that you call, text, or email Mrs. Scholl if you are ill, come in contact with someone who has COVID-19, or if you get tested. Please do this even though we are virtual.

Also, I would like to remind you that the Henry County Health Department has directed all Henry County schools, grades K-12, to be entirely virtual for the two weeks after Christmas Break. This is due to the likelihood that many of us will be attending large family gatherings resulting in possible exposure to COVID-19. The two week time period is to allow enough time for anyone who becomes infected, or who is a close contact, to move past the period of time when they might infect others.

We will continue with all extracurricular activities, including athletics, during the times we are virtual. I would also like to let you know that our boys and girls varsity basketball games are being streamed on YouTube under the Tri High Sports Network.

Additionally, meal deliveries and meal pick up will continue on Tuesdays and Thursdays while we are virtual. Deliveries begin at 7:30 a.m. and pick up is from 3:30 to 5:30 p.m. outside of door #2 at the school. If you haven't let us know that you want to participate in the meal program please contact our cafeteria manager, Angie Zentz, by calling the school.

One final reminder for all Tri Junior Senior High School students who are learning via Edmentum - all of your work is due by midnight on Friday, December 18.
